Dear Randy Nguyen,

This is NOT stores retail, this is the claims department called The Federated Claims Services Group, which is an administrative office down in the basement under the Macy's Retail Store in Redondo Beach, California.

The claims examiner working there does not work in any area of retail. He works in the administrative office as an administrative claims examiner.

Before the merger with Robinsons' May, this administrative department was called The Federated Claims Services Group. It is now called Macy's Claims Services Group, but it still may be listed as The Federated Claims Services Group. The notification of temporary staffing letter is on file with you from 2006 for The Federated Claims Services Group under 25th Century Services, Inc.

I am updating the Temporary Staffing Client Letters for 25th Century Services, Inc. So, this is an update to correspond to the policy for this current year.

Please look back in your records for 25th Century Services, Inc. for The Federated Claims Services Group. The Class Description was clerical office and the base rate was 1.01.

25th Century Services, Inc., does not place employees in retail.

Please feel free to call me at 805 577-0058 should you require further clarification.
Thank you.

Sincerely,

Lonce LaMon
